AMENDMENT

Commissioner of Patents  
Washington, D.C. 20231

Commissioner:

This amendment is submitted in response to the office action dated 01/05/01 and designated paper number 5.

Please amend the application as follows:

In the Specification:

A replacement page 5 is provided for page 5 of the application as filed to make amendments correcting element identification numbers. The changes made are:

On page 5, line 25, "82" is deleted and replaced with --83--, on line 26, "84" is deleted and replaced with --85--, and on line 28, "86" is deleted and replaced with --87--.

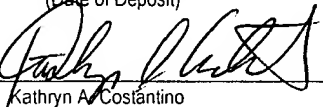

A replacement pages 7, 8 and 9 are provided for pages 7, 8 and 9 of the application as filed to make amendments correcting and clarifying description of elements. The changes made are:

On page 7, line 12, "guide tabs 132" is deleted and replaced with --actuation tabs 44--.

On page 8, line 26 after "solenoid," add the phrase -- the channeled stem 160 is positioned so--.
